CUSTOM HOSPITALITY LIGHTING FOR GUESTROOMS AND PUBLIC AREAS

QUALITY TO THE GOLD STANDARD

#### MISSION STATEMENT

We believe that creating and perfecting our products is not a job but a lifestyle. Our employees understand this and they are the backbone of our success. This enables us to create products that surpass our customers' expectations and be an example to our competitors. Our legacy of commitment and innovative design is a family legacy that we share with you.

#### OUR VISION

As we head into the future, we strive to lead the way in the latest development and concepts to keep us at the forefront of innovation in lighting. We take on this endeavor with many years of experience and craftsmanship, making us stronger as we move forward. As always our goal has been to set the benchmark of quality on our production, while maintaining 100% customer satisfaction. With this we advance into many new developing technologies, environmentally friendly materials, methods and management, thereby continuing our commitment of the Gold Standard.

# Modern Industrial

A SCOTT LAMP COMPANY  
EXCLUSIVE COLLECTION

*Showcasing warm, neutral colors, the Modern Industrial Collection is often favored for industrially designed spaces, typically large and open. The raw and “unfinished” look reflects everything related to manufacturing and reminds one of an old warehouse or factory. Combining an industrial feel with a range of modern style, from earthy to polished, the collection provides a sharp contrast to otherwise bleak open areas.*

# NOUVEAU ART DECO

A REINTERPRETATION OF A  
CLASSIC STYLE FOCUSING ON  
GLAMOUR AND OPULENCE.

*A modern take on a favorite style of the  
1920s, Nouveau Art Deco is marked  
chiefly by geometric motifs, curvilinear  
forms, sharply defined outlines, and  
bold colors. The signature aesthetic  
evokes glamour, luxury, and order with  
symmetrical designs in exuberant shapes.*

# GEOMETRIC

## A TIMELESS TREND

*Inspired predominantly by simple geometric forms, such as circles, rectangles, triangles, etc., the Geometric collection helps create a bright and modern interior. Not only is the use of geometric shapes a contemporary trend; it is one that has endured throughout history. With geometric shapes as the dominant motif, these fixtures can help bring balance and harmonize rooms while adding an interesting fresh touch.*
