

MAGNIFYING MIRRORS

Scott

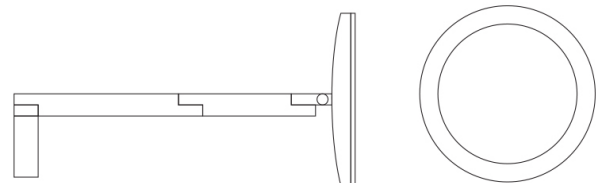

ORION

MODEL 9929

Striking in matte black, this LED-illuminated vanity mirror makes a bold contemporary statement while delivering flawless functionality through its robust extension arm. The minimalist design and high-contrast finish offer a sophisticated alternative for distinguished hospitality spaces where modern aesthetics define the experience.

PERSEUS

MODEL 9928

Featuring an ultra-slim profile and larger diameter face, this polished chrome vanity mirror elevates the styling experience with bright LED illumination and a robust three-joint extension arm. The generously sized viewing area and crisp, even lighting make this mirror an impactful addition to luxury hotel suites where uncompromising quality meets sophisticated design.

AETHER

MODEL 9925

Featuring a sleek, wall-mounted design, this contemporary vanity mirror combines premium functionality with minimalist aesthetics through its circular form, LED-illuminated frame, and articulating arm in a polished chrome finish. The dual-jointed mechanism allows for smooth extension and precise positioning, making it an ideal choice for luxury hotel bathrooms where both form and function are paramount.
